

Preserving Your Family Memories at CALS Roberts Library

Scan your family photographs,
slides, negatives, and documents
and digitize your old video formats
in our DIY Memory Lab!

Located on the 3rd floor of the Roberts Library

- The Memory Lab is available for patron use: Mon. - Fri. 9:30 AM - 5:30 PM
- Appointments are required.
- Employees will assist patrons with operating equipment but do NOT digitize material.
- CALS Library Card is NOT required to use the Memory Lab.
- It is intended to be do-it-yourself with a little training; time spent in the Memory Lab is for digitization, not editing.

Make an appointment at [RobertsLibrary.org/MemoryLab](https://robertslibrary.org/MemoryLab) or call 501.320.5744

ORAL HISTORY TOOLKITS

We are committed to providing the public with the tools and resources to conduct oral history interviews with their friends and loved ones. We have recording kits and training available to help you get started!
